## Notice

### Industrial Visit of Central Power Research Institute (CPRI)

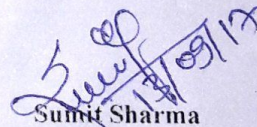

#### Attention: Students of Electrical Engg.

An Industrial visit is scheduled for the Students of Electrical Engineering Central Power Research Institute (CPRI), Bhopal on 14<sup>th</sup> September, 2017(Thursday) at (2:30 PM).

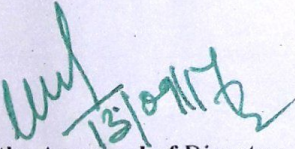

#### About Company:

Central Power Research Institute (CPRI) is the power house of the Indian electrical industry. Set up in 1960 by the Government of India, it functions as a centre for applied research in electrical power engineering assisting the electrical industry in product development and quality assurance. CPRI also serves as an independent authority for testing and certification of power equipment. CPRI's governing body includes eminent professionals from industries & utilities, prestigious academic and research institutions & the government. It employs over 300 highly qualified and experienced engineers & scientists besides other supporting staff.

The Students Will Board the Bus at 1:45PM from the Institute campus and return by 4:30 PM
