## WORDS FROM THE JOINT SECRETARY

**Mr. Akash Patidar**  
**Joint Secretary of VGI**

We are truly grateful to all the parents who have placed their trust in us by choosing Vaishnavi Group for their child's future. It is both our responsibility and honour to live up to that trust and give our very best for their growth and success.

There are generally two perspectives when it comes to education. One focuses on academic success getting a good education, securing a high paying job, and progressing in reputed multinational companies. This is absolutely valid, and we! completely agree with its importance.

You can already witness our efforts in promoting these values through the various activities we conduct. We are committed to providing an environment where students learn not just from books, but from real life experiences as well.
